

The **Judge** for our show this year is *Mel Beach*. Mel is a San Jose-based, in-demand quilt lecturer and instructor. She offers a variety of fun and inspirational quilting programs to inspire others to create with confidence and joy. Mel has been honored to judge quilt competitions including guild quilt shows, county fairs, California State Fair and Pacific International Quilt Festival. Mel's goal as a judge is to partner with quilt show organizers, fellow judges, handlers, and scribes to provide a judging experience that is professional, compassionate, objective, and educational. Mel even sets aside time at the end of the judging day for volunteer handlers/ scribes to ask questions about the judging process.

Monterey Peninsula Quilters Guild (MPQG), founded in 1979, is an all-volunteer, 501(c)(3) organization. Our members are not only artists, but generous givers. Over the years our *Community Outreach* program has donated thousands of quilts. Last year alone we made and donated over 930 quilted items to those in need, from heart-shaped and port pillows, to dialysis, tummy-time, crib, wheelchair lap, youth, and bed quilts. In February, we sent over 75 quilts to the victims of the January fires in Southern California. Our *Grants Program* donates the money we raise from raffle tickets to local schools and organizations to help them promote quilting and sewing activities.

Guild membership has many benefits: fiber art experts as guest speakers at our monthly meetings and scheduled workshops, quilting bees, our annual quilt show, friendship quilt groups, and much more. We meet either in-person at the Pacific Grove Community Center at 515 Junipero Street, Pacific Grove, or on Zoom, or both, usually on the 1st Monday of the month. Social time starts at 6:30 PM followed by our meeting at 7:00 PM. Guests are welcome for a fee of \$5.00. Membership is \$40 (September to August). All quilting levels are welcome and invited!
