

## MPQG BOM August: A Long and Winding Road

We've come to the last block! I hope you've enjoyed the project and will have a quilt to show for it. We'll set aside some show and tell time for these at the November or December meeting. (Or whenever you finish putting yours together.)

You have a choice this month.

I thought that the image of a long and winding road well represented this pandemic journey that we've been on...

For "A Long and Winding Road", I chose a long and winding zig zag:) with lots of half square triangles. This link has instructions for a 12" (12 1/2" unfinished) block. For an 18" (18 1/2" unfinished) block, I cut 5" squares to make four at a time HSTs. Alternatively, you can make the 12" block and add a 3" border.

I also went crazy with all my little scraps and made this:  
And I'll never make 1 1/2" squares again!
