Speaker: Trudy Cleveland

“How to Shoot Your Quilt”: Why and How to take photos of your quilts with your smartphone

www.trudycleveland.com

Trudy has been sewing since she was 12 years old and has progressively grown as a sewing enthusiast. Starting a long arm business meant she needed to find a way to document her journey. Taking photographs of her customers' quilts seemed the logical step. Trying to perfect her photography of quilts led her to take digital photography classes. The class “Digital Photography”

opened up a new world and led to constantly improving on the technique of photographing a quilt. In her lecture and workshop she shares all she learned over the years. Trudy still maintains a long arming business and takes a photograph of every customer quilt.

A link to this lecture will be emailed to you prior to the meeting.

President's Letter — July 2020

I know that most of us hoped that our social distancing would be over by now and that we would be back to meeting in person. Thank you all for being willing to try new things and joining in on the virtual programs we have provided so far. Since the news changes daily, it is hard for us to develop a long term plan but we are working to schedule Zoom friendly speakers thru the rest of this year. Many of our originally scheduled lectures are being postponed to 2021 in the hopes we can begin in-person meetings again. Stay tuned to your MPQG e-blasts and newsletters so you will know what is coming.

August is our membership renewal month and we hope you will take a moment to mail in your dues since we can't collect it at a meeting. You will see in the Membership article that the Board has made a reduction in dues amount for the 2020-21 year as a way to thank you for sticking with us. We are doing our best to provide opportunities for interaction that will make you want to continue your membership.

August is also our election month. You will see the proposed slate here in the newsletter and I encourage you to join our Zoom meeting on Aug 3rd to vote. We need a good Board of Directors to lead us through these difficult times.

Looking forward to seeing you on Zoom!

MPQG Membership

Membership News

20% PRICE REDUCTION for MPQG 2020-2021 MEMBERSHIP!

A full year of membership is now \$40!

MPQG's board has been working hard behind the scenes to bring us the benefits of guild membership during our isolation. Among them, terrific speakers at our new Zoom programs and new Zoom show and tell sessions. Many additional activities will soon be announced. As a guild, we are ahead of the curve in adopting this new format to keep our members in touch, informed, inspired and educated. And while there's a learning curve to this format, it's shallow and super easy — 90 of us gathered via Zoom to hear Teresa Duryea Wong in July! So since we may be experiencing this “new normal” for some time yet, don't let it get you down. Instead, GET EXCITED about our upcoming programs and seeing your guild pals again at our Zoom sessions. Join us for an unprecedented year of education and inspiration with MPQG.

Community Outreach

Keeping Busy?

This lock-down is wearing on us all, but touching fabric is the best therapy. And I will be touching batting too! Usually in the summer I start getting organized for the Tying Event, our September meeting. But this year, there will be no tying event at the Community Center in September. However, I have a plan to get the quilts finished.

I will prepare the projects just like every other year, and have them available to move to smaller venues. I'm hoping that friendship groups, and other groups of quilting friends not in a formal MPQG group, will step up to get a project or two done. Maybe your church would let you use a room, or another community meeting space that can provide tables. If you limit the number of people around a table to six, and spread two tables apart over a larger area, you can physically distance with no problem. Or if the limit is 10 people in a location at one time, two tables of 5. Let's get creative and have some fun too.

Touching fabric, getting a quilt done, and laughing with friends is the cure everyone is searching for!!

Fall Quilt Auction Fundraiser

Back by popular demand! We will be collecting donations to do another online auction this fall, right before the holidays. In addition to mini-quilts and pincushions, quilters can create festive fall or winter decorations and items that would make great gifts.

Auction Item Categories:

1. Wall hangings and mini quilts
2. Pincushions
3. Table runners, placemats, potholders and mug rugs
4. Tree skirts, quilted ornaments, stockings and holiday decorations
5. Other quilted items and gifts
6. Handcrafted items and gifts (Allows for other fiber arts and creations, but keep in mind that we may have to ship items, so please keep their size and weight down.)

The items need to be turned in no later than November 13th. The auction will likely be held November 20th through November 30th (the exact dates will be confirmed as we get closer). We will send out email notifications with times and locations for drop-offs.

The Fall Quilt Action Fundraiser will use the more traditional bidding process rather than the proxy bidding system. This means the amount you submit will be your bid - the system will not update it for you. However, you can be notified by text or email if you are out-bid so you can increase your bid.

I look forward to seeing all of your beautiful creations! Happy quilting!

PICK A COLOR — 2020 Quilt Challenge

Blue

Green

Yellow

2020 has come with more challenges than we expected. One we did anticipate is the MPQG 2020 Quilt Challenge to Pick-a-Color and run with it!

As the County Fair is canceled, we have extended the deadline for submission to **August 24, 2020**.

Please take a photo of your quilt (as we will soon learn how to do expertly!) and send it to Kathrin Brown by **August 24** — kathrin.brown@gmail.com. Kathrin volunteered to make a slide show for our Zoom meeting on **September 14**.

The challenge is still the same: Produce a quilt 18"x18" that is at least 80% dominated by shades of one color.

Add to your virtual submission:

- your name
- name of quilt
- pattern name or inspiration if applicable.

As we do hope to show them in person eventually, the quilt label should have:

- *Your name*
- *Name of the Quilt*
- *2020 MPQG Challenge*
- *And a 4" sleeve for hanging.*

We are excited to see what you come up with!

Monterey County Library Quilt Display

Thank you again to those of you who generously loaned a quilt for the library display. Many people commented on the beauty and creativity of your work. I've been returning the quilts but have a mystery quilt with no name. If this is your quilt, please get in touch and I'll do a safe return. Stay safe!
