"Trick or Treat"

Definition of Quilt Categories

Traditional Quilts: Quilts based on a traditional design either pieced, whole cloth or appliqued. Hand or machine quilted.

Top by One, Quilted by Another: The quilt top has been completed by one person and the quilting was done by someone else.

Special Quilt Techniques: Quilts that include construction methods such as fusing, digital printing, surface design techniques and embellishments such as thread painting, beading, crystals, embroidery, and painting or a mixture of hand and machine quilting; includes "tied" quilts as well as any quilt that does not obviously fit into another category.

Group Quilts: A quilt with a top which has been completed by two or more people.

Kit Quilts: A quilt made by using a kit which includes the pattern and pre-selected fabric.

Modern Quilts: Usually functional, simplistic and minimalist, often with bold colors and prints, high contrast, asymmetric design, improvisational piecing, expansive negative space and alternate grid work.

Art Quilts: Completely original design meant to be hung as a work of art.

This is your chance to vote for your favorite quilt in the show. Ballots are at the front desk.

Not all quilts are judged ! It is the individual's choice.
